DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Garners building still retains the original dentiled cornice with a center peak, although "Form Stone" has been added to the second story front facade. It is a small two story brick building that was probably originally similar to 507 and 509 Poplar Street in appearance.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

Built sometime around the early 20th century, this commercial building has been altered in appearance by the addition of "Form Stone" to the exterior. This side of Poplar Street survived a fire in the 1920's and most of the buildings date to the late 19th or early 20th century. The least altered buildings, however, are on the west end of the block. The potential attractiveness of the street has not been taken advantage of by owners of these buildings.
